

INVITATION

Intech Solutions invites you to participate in our one day **User Group Conference 2010** and become an active part of our growing community of customers and partners throughout Australia and New Zealand.

When will Intech's user group take place?

Thursday, 29th April 2010, 9.00am to 4.00pm.

Where will it take place?

L'Aqua, Cockle Bay Wharf at Darling Harbour.

Is there a cost to attend?

An administration fee of \$100 per person is requested to assist with booking confirmations and catering for the day. Concessions are available for multiple delegates from your organization or for delegates who bring interested colleagues from other organizations.

When do I need to confirm?

RSVP by Monday 31st March to guarantee your place.

What is the agenda?

A detailed agenda and venue information will be provided in hard copy. In addition to presentations, discussion and Q&A sessions Intech will provide coffee, morning and afternoon tea, a buffet lunch and a brief networking session at the end of the day with light refreshments.

How will it benefit me and my organization?

The day will consist of informative and interactive presentations with broad appeal to users, technical staff, IT and business managers alike. In addition to providing you with the latest information about Intech's information quality capabilities, you will have the opportunity to discuss your own requirements and current use of the software with senior Intech sales and technical staff.

Who will be presenting?

In addition to Intech Solutions experienced staff you will hear presentations from valued partners including Integeio, RDA Research, Bugseye and Resolve. All presenters will describe important and relevant capabilities with a focus on the benefits they can bring to your organization.

How to register?

To secure your place, please contact Patrycja Lozek via e-mail at patrycjal@intechiq.com or phone on 02 8305 2100 to request additional information.

E-mail expressions of interest should include:

- Contact name
- Position
- Company/organisation
- Telephone number

We look forward to seeing you at our User Group Conference 2010!
